

Stand out from the pack.

Perfect for fruit juices, non carbonated drinks and teas, the new 300mL glass bottle comes with stippled areas for an icy look and a 38mm twist finish to help differentiate your product.

O-I is the world's leading supplier of glass containers with a strong focus on delivering excellence, quality and service. Our global network is dedicated to innovative packaging solutions that anticipate consumer demands.

A perfect 'in-between' size, O-I's new 300mL flint fruit juice glass bottle hits the sweet spot from cafés to retail shelves.

With Australia's fruit juice market ripe for expansion, this product delivers a premium look and feel and the superior chilled taste that only glass can offer.
